- agree with staff, a worker representative who is easily identifiable to carry out the role outlined in this plan in relation to summer provision
- inform all staff and students of essential hygiene and respiratory etiquette and physical distancing requirements
- adapt the school to facilitate physical distancing as appropriate in line with the public health guidance and direction of the Department of Education
- keep a contact log to help with contact tracing
- ensure staff and students engage with the induction / familiarisation briefing provided by the Department of Education
